

Exhibit C Insurance Requirements

I. General

The Concessioner must obtain and maintain during the entire term of this Contract, at its sole cost and expense, the types and amounts of insurance coverage necessary to fulfill the obligations of the Contract. The Director will approve the types and amounts of insurance coverage purchased by the Concessioner.

At the request of the Director, the Concessioner must, at the time insurance is first purchased and annually thereafter, provide the Director with a Certificate of Insurance that accurately details the conditions of the policy as evidence of compliance with this section. The Concessioner must provide the Director immediate written notice of any material change in the Concessioner's insurance program hereunder, including without limitation, cancellation of any required insurance coverages.

From time to time, as conditions in the insurance industry warrant, the Director may modify this Exhibit, provided that any additional requirements must be reasonable and consistent with the types of insurance a prudent businessperson would purchase in similar circumstances.

The Director will not be responsible for any omissions or inadequacies of insurance coverages and amounts in the event the insurance purchased by the Concessioner proves to be inadequate or otherwise insufficient for any reason whatsoever.

II. Liability Insurance.

The Concessioner must provide commercial general liability insurance against claims arising out of or resulting from the acts or omissions of the Concessioner or its employees, agents or contractors, in carrying out the activities and operations required and/or authorized under this Contract.

All liability policies must specify that the insurance company will have no right of subrogation against the United States of America or must provide that the United States of America is named an additional insured.

This insurance must be in the amount commensurate with the degree of risk and the scope and size of the activities required and/or authorized under this Contract. The following Liability Coverages and limits are to be maintained at a minimum, all of which are to be written on an occurrence basis only. The Concessioner may attain the limits specified below by means of supplementing the respective coverage(s) with Excess or Excess "Umbrella" Liability. Furthermore, the commercial general liability package must provide no less than the coverages and limits described.

A. Commercial General Liability

1. Coverage will be provided for bodily injury, property damage, personal or advertising injury liability (and must include Contractual Liability and Products/Completed Operations Liability).

Bodily Injury and Property Damage Limits:

For buses carrying 21-50 passengers \$1,500,000

For buses carrying 51-120 passengers \$2,000,000

Products/Completed Operations Limit - N/A

Personal Injury & Advertising Injury Limit - N/A

General Aggregate \$3,000,000

2. The liability coverages may not contain the following exclusions/limitations:
 - a. Athletic or Sports Participants
 - b. Products/Completed Operations
 - c. Personal Injury or Advertising Injury exclusion or limitation
 - d. Contractual Liability limitation
 - e. Explosion, Collapse and Underground Property Damage exclusion
 - f. Total Pollution exclusion
3. If the policy insures more than one location, the General Aggregate limit must be amended to apply separately to each location, or, at least, separately to the appropriate NPS location(s).

B. Automobile Liability

Coverage will be provided for bodily injury or property damage arising out of the ownership, maintenance or use of "any auto". (Where there are no owned autos, coverage applicable to "hired" and "non-owned" autos, will be maintained.)

Each Accident Limit \$2,000,000

C. Excess Liability or Excess "Umbrella" Liability

This coverage is not required, but may be used to supplement any of the above Liability coverage policies in order to arrive at the required minimum limit of liability. If maintained, coverage will be provided for bodily injury, property damage, personal or advertising injury liability in excess of scheduled underlying insurance. In addition, coverage must be at least as broad as that provided by underlying insurance policies and the limits of underlying insurance must be sufficient to prevent any gap between such minimum limits and the attachment point of the coverage afforded under the Excess Liability or Excess "Umbrella" Liability policy.

D. Care, Custody and Control--Legal Liability

Coverage will be provided for damage to property in the care, custody or control of the concessioner.

Any One Loss - Coverage shall be provided based upon maximum possible loss or reasonable estimate of maximum probable loss of property of others.

E. Environmental Impairment Liability

Coverage (if requested by the Director) will be provided for bodily injury, personal injury or property damage arising out of pollutants or contaminants (on site and/or offsite).

Each Occurrence or Each Claim Limit - N/A
Aggregate Limit

F. Special Provisions for Use of Aggregate Policies.

At such time as the aggregate limit of any required policy is (or if it appears that it will be) reduced or exhausted, the concessioner may be required to reinstate such limit or purchase additional coverage limits.

G. Self-Insured Retentions.

Self-insured retentions on any of the above described Liability insurance policies (other than Excess “Umbrella” Liability, if maintained) may not exceed \$5,000.

H. Workers Compensation and Employers' Liability.

Coverage will comply with the statutory requirements of the state(s) in which the concessioner operates.

II. Insurance Company Minimum Standards.

All insurance companies providing the above described insurance coverages must meet the minimum standards set forth below:

1. All insurers for all coverages must be rated no lower than A-by the most recent edition of Best's Key Rating Guide (Property-Casualty Edition).
2. All insurers for all coverages must have a Best's Financial Size Category of at least VIII according to the most recent edition of Best's Key Rating Guide (Property-Casualty edition).
3. All insurers must be admitted (licensed) in the state in which the concessioner is domiciled.

III. Certificates of Insurance.

All certificates of Insurance required by this Contract must be completed in sufficient detail to allow easy identification of the coverages, limits, and coverage amendments that are described above. In addition, the insurance companies must be accurately listed along with their A.M. Best Identification Number (“AMB#”). The name, address and telephone number of the issuing insurance agent or broker must be clearly shown on the certificate of insurance as well.

Due to the space limitations of most standard certificates of insurance, it is expected that an addendum will be attached to the appropriate certificate(s) in order to provide the space needed to show the required information.

In addition to providing certificates of insurance, the concessioner, upon written request of the Director, must provide the Director with a complete copy of any of the insurance policies (or endorsements thereto) required herein to be maintained by the concessioner.

IV. Statutory Limits

In the event that a statutorily required limit exceeds a limit required herein, the higher statutorily required limit will be considered the minimum to be maintained.
